When Life Tests You, Turn to Jesus

Know Him, Trust His Word,
and Live by Faith

Ayo Fatubarin

Introduction

When life tests you, where do you turn? A diagnosis, a loss, a long delay, a wall in front of you, a storm that arrives without warning: sooner or later every reader meets one. This book gives a plain answer. Turn to Jesus.

The people of the Bible were tested too. Peter fished all night and caught nothing. Job lost nearly everything. Elijah grew so tired that he wished to die. The same Jesus who met them is able to meet you.

The book has three parts. Part One shows you Jesus: who He is, what He did, and what His life teaches. Part Two shows you the Word of God and how it has shaped Christians and the church. Part Three shows you how to stand on faith when life tests you, with gratitude and praise.

You will finish each chapter knowing what to pray and what to do. Every chapter begins with a verse and ends with a short “Pray and act” note drawn from the author’s own words. Take one chapter at a time, and put it into practice.

PART ONE

Know Jesus

1. Jesus Is the Same Yesterday, Today and Forever

"Jesus Christ the same yesterday, and today, and for ever."

— Hebrews 13:8

Today, Christians can boldly claim that they have been wonderfully created. Praise the Lord! Today, Christians can boldly talk of the personality of Jesus.

Unveiling the full personality of Jesus Christ is almost impossible. This is partly because of Jesus' divine nature, His manifestation of Christianity, and the mysterious and miraculous things about Him. What any author can discuss about Him is just the tip of the iceberg. This book is meant to help Christians know more about the man whom Christians take after by His name.

Only God knows the details about the person He sent, who volunteered to leave His exalted position in heaven and take up the body of human beings, born out of their Adamic nature. He suffered the fate reserved for that sinful body of human flesh: He was humiliated, nailed to the Cross, died, rose after the third day and ascended back to heaven, after using His precious blood for the redemption of

human sins. Today, Jesus Christ is alive. Human beings can now be assured of victory over death. This is the joy of all Christians who truly believe in Him.

Each chapter of this book carries a message for all Christians about the divine personality of Jesus Christ: His human nature, His divine nature, His life experiences, His lessons on how to live our lives, and His reactions to both good and bad situations. He was once at a marriage ceremony and was later treated as a criminal. He made a triumphal entry into Jerusalem on a donkey and later carried the cross on which He died. If Christians learn these lessons, they will know more about the author and finisher of the Christian faith.

Of all the names Jesus gave Himself, one seems strange to human beings: that somebody should liken himself to a door. Believers should pray that Jesus plays the role of a door in their lives. It guarantees their safety, wards off enemies, and ensures they are complete and have the beauty God endows them with.
